

# VILLAGE THREADS

sew in style with  
thrifty villagers!

Sewing is an essential skill for our community. Learn repair techniques, customize your apparel, or make something from scratch!

## What you'll learn:

- Where some of the styles from the skatepark originate
- tips for sourcing materials and tools
- how to follow a pattern
- picking and cutting fabric
- sewing machine basics
- tips and tricks from thrifty villagers!

Looking to get started stitching? Come visit our sewing circle every Sunday night to get acquainted with our regular seamstresses.

Or, reach out with a group of friends, class mates, or a local organization to get a hands on lesson!
