

VILLAGE SKATEPARK ATL
PRESENTS

STENCILS + SCREEN PRINTING

**POSTERS/
CLOTHES/
SKATEBOARDS/
STICKERS/ETC**

Want a hands on way to learn graphic design?

Learn how to make graphics for clothes, board, posters or anything else to promote your art or brand at the village.

navigate the basics of graphic design through the hands on process of creating stencils and screenprints, or come with experience to try something new in our lab.

Come with an idea and some stuff to print on, use our materials, and leave with some custom designs.

You will learn

The process of creating art to be used for a stencils or screen printing:

- Choosing graphics
- Creating vector art using Inkscape
- Printing/cutting your artwork
- Using a vinyl cutter to create stencils

Process of Printing using a screen

- About using emulsion
- Exposing a screen with artwork
- Using a vinyl cutter to create a screen
- DIY printing tips and techniques

we work with schools, community centers, camps, groups of friends, and anyone willing to learn.

it takes roughly 2 hours.

For groups of 5 or more we charge \$20 per person

20 students per session max
if under 18, 1:5 adults/minors req.
